RESOLUTION: Minutes confirmed.

→

Coordinator of the IQAC presented the action taken report over the recommendations made by IQAC in last meeting. It was as below:

Proposed Activity	Action taken/ yet to be taken
1. Preparation for peer team visit.	Peer team visit preparation are done
2. Revised planning for academic year	Planning was revised but once again lockdown has been imposed classes were concluded online.
3. Purchasing of language software	Language lab software purchased

→

IQAC coordinated raised the attention of house toward that due to lockdown of state and central government, there is delay in examination and conclusion of academic year. Thus feedbacks are not collected yet from stakeholders. He added that after the examinations of last semester feedbacks should be collected from

4. Admissions for new academic year.

various stakeholders.

RESOLUTION:- Agenda discussed, noted and accepted in the house.

IQAC coordinator told in the house that for academic year 2021-22 it is tough to ~~not~~ achieve target of admission as economical condition of the parents is deprived due to frequent lockdowns. He added that more efforts should be taken to achieve target and fees should be reduced for students.

RESOLUTION:- Agenda discussed, noted and accepted in the house.

5. Planning for completion of syllabus.

IQAC coordinator stated in the house that proper planning and its implementation should be done for completing syllabus as well as practicals in academic year as there were no words from Government on opening of colleges.

RESOLUTION:- Agenda discussed, noted and accepted in the house.

6. Making running tracks on playground →

Coordinator of IQAC told the necessity of running track and development of playground to all the members in house and it is decided to do a running track.

RESOLUTION:- Agenda discussed, noted and accepted in the house.

7. TA & Registration fees for seminars and conferences →

IQAC coordinator raised the point that college had decided to give TA & registration fees to faculty for attending seminars and conference in CDC meeting of 2020-21. But, due to pandemic seminars are not conducted by the nearby colleges and hence

8. Arranging Workshops
and guest lectures

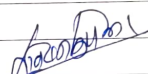

→

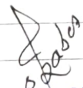

the decision of CDC was not implemented in practical. But he stated that faculty should be motivated to participate in such activities and this scheme should be properly implemented.

RESOLUTION: Agenda discussed, noted and accepted.

IQA coordinator stated the point that in academic year 2021-22 proposals should be submitted for workshops under B.S.D. He also added that various competitions and guest lectures should be arranged in the current academic year.

RESOLUTION: Agenda discussed, noted and accepted.
